

## RS52N3B13S8 SBS with Digital Inverter Technology, 520 L

- Less noise & energy
- No frost
- All-around Cooling

### **Stylish & harmonious**

#### Stylish Minimal Design

Give your home a stylishly modern and minimalist look. The Stylish Minimal Design has a clean and contemporary appearance. So it will fit harmoniously into your kitchen. It features an elegant Inox finish and beautiful flat doors. And vertical handles emphasize its elegant symmetry.

### **Less noise & energy**

#### Digital Inverter Technology

Enjoy greater energy efficiency, less noise and a long-lasting performance. The Digital Inverter Compressor automatically adjusts its speed in response to cooling demand across 7 levels. So it works economically and silently. It also provides greater durability, backed up by a 10 year warranty\*.

**\* 10 year warranty is limited to the compressor only.**

### **Frost free freshness**

#### No Frost

Preserve the freshness of food for longer without freezing. No Frost technology maintains a constant optimal temperature in every corner by enhancing the air circulation. It stops the build up of ice on food, like vegetables, so they stay tasting fresh. And avoids the need to defrost your fridge.

**\* Based on a comparison of the Samsung frost fridge RB31FERNCWW and No Frost fridge RL39THCTS. Individual results may vary depending on consumer usage.**

## Cools every corner

### All-around Cooling

Make sure that everything in the fridge is cooled effectively, so food stays fresher. The All-around Cooling system cools every inch of the fridge evenly from corner to corner. Cold air is blown out through multiple vents on every shelf level to maintain a constant and optimal temperature.

## Powerful freezing

### Power Freeze

Freeze your food or make ice in a flash! At the touch of a button, the Power Freeze function automatically sets the freezer temperature to the lowest level and creates a rapid blast of intensely cold air. It's great for freezing or firming up frozen food, like ice cream, and making ice quickly.

## Neatly store more

### Dairy Guard

Organize and neatly store dairy produce and wine. An optional Dairy Guard/Wine Rack is specially designed to store your favorite dairy foods. It can also safely hold bottles of wine, so they don't roll around. You can make the best use of the available space and easily reach everything you need.

## Easy wine storage

### Wine Rack (optional)

Organize and neatly store wine. An optional Wine Rack is specially designed to store your favorite wine and it can safely hold bottles of wine, so they don't roll around. You can make the best use of the available space for storing wine and easily reach it when you need.

## Specifications

- Gross Total : 554L
- Net for Freezer : 179L
- Net for Fridge : 341L

## Physical specification

- Dimensions : w-912 x h-1789 x d-734mm
- Packaged dimensions : w-974 x h-1907 x d-776mm
- Weight : 99kg
- Packaged weight : 106kg

## Cooling Feature

- No frost
- Multi flow
- Cooling Type : All-around Cooling

## Refrigerator Feature

- 5 Shelves
- Dairy compartment
- Wine rack
- 4 Door pockets

- Egg container
- 2 Fruit & vegetable drawers
- Tempered glass shelves
- LED interior light

### **Freezer Feature**

- 4 Shelves
- 5 Door pockets
- 2 Drawers
- Ice maker tray
- LED interior light

### **Performance**

- Energy Efficiency Class : A+
- Noise Level : 43 dBA
- Energy Consumption : 439 kWh/year
- Vacation mode
